Good evening Dan and Ariel,

Please see attached updated cash files and daily files for Argon and SSF I SPV.

I had a positive meeting with Jacob Sod this morning. I expect that he will fund \$500k this week, followed by the remainder from my other investors this month.

However, as a result of Jacob's being away, his lawyer did not yet turn around the review of the promissory note.

I apologize for the delay.

- Barry

Gut chodesh Daniel.

I apologize for not being responsive. I am working on 2 investors and have not yet funded. Jacob Sod just got back from the super bowl in CA, and I am meeting him for breakfast this morning. I expect that we will be able to fund tomorrow. I will be able to provide an update after my meeting.

The amendment is fine.

All the best.

- Barry
